ART WALK SCULPTURES

The Arts Council of White Lake is proud to facilitate the installation of sculptures along the Hart-Montague and the Montague-Berry Junction bicycle trails in the White Lake area. Since October of 2005, the ACWL has placed several sculptures each year creating the ACWL ART WALK.

ART WALK Sculptures have been made possible with the help from many individual White Lake Community members, corporate sponsors, and grants. Those sponsors are listed at each sculpture site.

The ACWL also sponsored *Flow*, the relief sculpture by Robert L. Barnum, installed on the Dowling Street side of the White River Gallery in downtown Montague. A two block detour off the bike trail allows you to view this beautiful sculpture as well as an opportunity to visit **WHITE RIVER GALLERY** where local artists display and sell their
