New Water Shutoff Policy

As of July 1, 2015, the City has adopted a new Water Shut Off Policy. We will no longer be collecting deposits on delinquent accounts in order to have the water turned back on. The policy is as follows:

If water service is shut off, the resident is responsible for the following fees and fines:

- Turn on fee $50.00 (regular hours)
- AND an additional $50.00 (if after 3:30 p.m.)

If water service shut-off should occur again, in addition to the Turn On Fee, the following will also apply:

Non-refundable fines:
- $50.00 (2nd offense), $100.00 (3rd offense), $200.00 (4th offense)

$200.00 will also be assessed for all subsequent offenses after 4.

We will also be refunding any deposits that we have collected in the past to have water service restored. Deposit refund checks are being processed and should be mailed out within 30 days.

On the Sunny Side of the Street

Slocum Street is done! This, along with Lincoln and Mary streets, was our first street project under the new dedicated millage. While the project took a little longer than anticipated, the City is very pleased with the work done by White Lake Excavating. The engineers estimated the street, water, and sewer improvements would cost $1.6M. The low bid came in at $1.2M.

So now the burning question is what streets are next? Streets are chosen using an engineered rating system combined with necessary sewer and water upgrades. Next on our list will be Livingston, Main from Mears to Lake, Muskegon from Mears to Warner, and Wilshire. Based on cost estimates and available funding, our next major millage funded project including some or all of the above will be done in 2017. Thanks to federal and state grants, Misco Street will leapfrog these for completion next summer.
“Snowfall”

It is once again approaching the snow season. Remember that when removing snow from private property it is unlawful to deposit, or cause to be deposited, snow, ice, or slush on any roadway or highway. Traffic Codes may be viewed in their entirety at City Hall.

The Fire Authority asks that property owners keep fire hydrants clear of snow to assist them in accessing the hydrants during an emergency.

Please make sure that your mailbox and post are in sound order. If the City’s plow truck physically hits the box or post the City will make repairs or replace it. However, if the snow load damages the box or post it will be the responsibility of the property owner to repair or replace it.

Reminder—No Parking

Just a reminder since we are coming into the snow removal season. There is no parking on any city street from 2:00 a.m. to 6:00 a.m. from November 15 to April 30 regardless of snow fall. This is for snowplowing city streets and parking lots.

Downtown residents may park overnight on the south side of Lot #5 which is located behind Hunt’s Do It Center.

Please do not park across sidewalks to allow pedestrians and school children access to utilize the sidewalks.

Your help and cooperation are greatly appreciated.

“Autumn Leaves”

Leaf Pick-up

The Fall Leaf Pick-up Program will begin Monday, October 26th. Last day to have your leaves out for pick-up is Sunday, November 15th. Some guidelines to follow are:

Leaves cannot be bagged. Please rake them to the edge of the pavement where they will be collected.

If you have a curb and gutter, leaves must be raked over the curb into the street.

Make sure sticks are not mixed in with the leaves because they clog the vacuum machine and will be left behind.

Every effort will be made to pick up leaves once per week depending on the weather, amount of leaves, and holidays. The pickup will begin at the north end of the City and then work south.

Brush Pick Up: There will be no Fall brush pickup. All brush can be disposed of at the White Lake Area Solid Waste Authority’s Transfer Station at 2100 W. Holton Whitehall Road on Wednesdays and Saturdays year round.
