

CITY OF WHITEHALL
CITY COUNCIL WORK SESSION MINUTES
SEPTEMBER 8, 2020
5:00 p.m.

PRESENT: Scott Brown, Dick Connell, Virginia DeMumbrum, Ellie Dennis, Debi Hillebrand, and Sean Mullally

ABSENT: Steve Salter

ALSO PRESENT: Scott Huebler, Brenda Bourdon, Roger Squiers, and Rodger Sweeting

Mayor Hillebrand called the meeting to order at 5:00 p.m. via Zoom.

DISCUSSION ITEMS

- A. Medical Marihuana – Huebler provided background on requests from permitted Medical Marihuana Provisionals: extend permit period, allowing transfer of license within the same corporation, and consideration of recreational marihuana. Consensus was to leave permit period and keeping the language of non-transferable licenses as is because changing it would require an ordinance amendment. Council also felt that it was too early to consider recreational marihuana since none of the medical marihuana facilities have been operational.
- B. Great Lakes Federal Stimulus – Huebler provided background on the damage caused by high water levels and the request to pass a resolution in support of gaining federal aid to repair infrastructure damage. The resolution will be presented at the next council meeting.

PUBLIC COMMENT:

Aaron Smith and Greg Maki from AgriMed provided updates on construction that is to begin in 1-2 weeks – operational by year-end, and explained the transfer of a license within the organization as a way of reducing liability.
