NEW BUSINESS

A. Blue Fall Protection Chips – Goodrich Park

Mayor Salter wanted the blue fall protection chips removed immediately from the play structure and replaced with Cyprus mulch because of the abundant amount found on the splash pad. Other options were discussed: engineered wood chips & pour in place pad. Heidelberg commented that it doesn't make sense to switch one thing for another: kids will move stuff regardless. Mullally suggested removing blue chips, saving them, and trying the mulch to see if it helps. Most would like to get pricing to evaluate the options before making a decision. The mayor requested pricing for the next council meeting.

PUBLIC COMMENT

Valerie Barnes complained about the new art wall and the disgusting smell.

ADJOURNMENT

Mayor Salter adjourned the Council Meeting at 4:27 pm.
